Kalyani industries is engaged
in Wholesaling and Trading a comprehensive range
of IGBT Module, Diode Module and much more.

About Us

Established in the year 2009, Kalyani Industries, are counted among the enviable organizations, which is engaged in Wholesaling and Trading a comprehensive range of IGBT Module, Diode Module and much more.

Superior performance, low maintenance, easy installation, longer working life and durability are some of the features of our offered range of products. Owing to our transportation facilities, we have been able to dispatch the offered range in committed time-period. We are working under the guidance of our mentor Mr. Sanjay Patil (Technical Director). Owing to his vast industry knowledge, we have mustered huge customer-base.
